2021 Sea Girt 5k – Team Competition

Events Web Site: <http://www.seagirt5k.com/>

Sea Girt, NJ

New . . . 2021 -Team Competition:

- We will be adding team competition to this year's 5K! Adding more fun and excitement to our 5K! Form a team this year and see just how good you stack up against the competition, and the challenge which teams present to a race!

Team Guidelines:

1. Team Entry is free this year – no additional charge to be on a team.
2. Teams will be composed of at least 5 persons in the following team divisions:
 - Male, Female, Coed, Corporate (at least 2 women for Coed and Corporate Teams)
 - High School Male and High School Female
3. The team captain should be the first person to register so he/she can create their team name and select the team division during the registration process.
4. The captain should then inform the prospective team mates to register for the 5K – and at that time select their team name from the team's existing team options, created by the captain, and will automatically come-up on their initial entry screen.

5. Team captain will be able to manage their team by logging into their on-line RunSignUp account, after creating the team, captains can email invited team participants to join their team, and then be able to edit their race information on-line.

***All teams must be entered by Mon July 27, 2021 6 pm.
After that time no persons or revision/updates permitted.***

- We encourage team captains to have more than 5 persons on their team should something happen to a teammate after the July 27 Team Entry deadline.

Team Awards: As of this posting, medals will be awarded to the top winning team members, in their respective team division. *Total chip time* for the 5 fastest team members will determine the team award winners.

Note: Team members may also place overall, or win in their respective age group divisions as individual 5K runners
